

SCITELINE 2025

Wrapped with Gratitude

As the year winds down for the holidays, here's a look at what we built together.

Launched the new Sciteline website and the Sciteline Insights Newsletter.

Rolled out platform enhancements throughout the year, capped by the launch of the Site Survey Module (more info coming soon).

Collaborated with our client teams at over 20 product feedback sessions.

Presented at the 3CTN Annual Meeting

Spent time with the community, listening and learning at 12 conferences, exhibiting at 2 and presenting at 2.

Presented at ACT's Annual Meeting in Sydney, NS

Exhibited at CTO Clinical Trials Conference in Toronto, ON

Sponsored the 3CTN Annual Meeting & Workshops in Toronto, ON

Attended the Digital Health Canada Conference in Regina, SK

Kept the ecosystem informed with the Canadian Research Roundup and introduced the Site Capacity Scorecard.

Connected with Researchers at the SOGRA Canadian Regulatory Conference

Presented one webinar and attended many, sharing local and global insights.

Stayed connected with you and we are grateful for that.

Wishing you a warm holiday season!
